Campus Assembly
Minutes
February 6, 2001

1. Approval of Minutes

The minutes of the Campus Assembly of November 28, 2000 were approved as distributed on eastalk.

2. President's Update

- a) Majors Fair: Dr. Creighton thanked all faculty that participated. It was a great success.
- b) Sabbatical Requests: Dr. Creighton announced that Mark Shadle, Greg Monahan, Peggy Anderson, and Carol Lauritzen have been approved for sabbatical. Congratulations.
- c) Budget: Dr. Creighton shared with the Assembly the projected two year budget, highlighting EOU's requests vs. Governor's Funding.
- d) Priorities for 2001- Budget: Dr. Creighton gave an overview of Eastern's priorities for this legislative session.
 - 1) Small School Investment: This is a correction to the original RAM model. We are hoping to restore the \$8.8 million for small schools in order to establish equity within the new budget model.
 - 2) CLS Funding (\$96 million): EOU and the OUS are working to fund the current service level request. Oregon's public universities have increased enrollment by 4.5 percent. EOU has a 6.6 percent increase.
 - 3) Partnership Programs: EOCC – very critical to economic growth. The Governor's budget eliminates \$2.8 million for these programs.
 - 4) Regional Services – working hard to restore this aspect of the budget.
- e) Priorities for 2001- Capitol Construction:
 - 1) EOU Science Center: This is the top priority for OUS. There is widely accepted 12 county support and many have made major contributions.

- 2) Library & Learning Center: We are requesting funding in the amount of \$1.5 million.
- f) EOU Science Center : This is a partnership with OHSU School of Nursing, OSU Ag Program, Oregon Department of Fish & Wildlife, and Portland State University Engineering. The project will wrap around the existing building giving a total of 110,070 sq. ft. Badgley will be the largest building on campus. A brief discussion took place. It was mentioned that this project is the largest single campaign for local dollars, between \$2-4 million.
- g) Audience Discussion/Questions:
 - 1) A question was asked regarding the tuition increase and how much revenue it would actually generate. Dr. Creighton indicated that the funds will not go to the students, it will be going to other agencies.
 - 2) Is EOU planning a hiring freeze? Dr. Creighton indicated that we are currently developing a retention plan with Budget and Planning and Enrollment Management.

4. AOF Update: Greg Monahan gave an update on the last AOF meeting. Specifically, the Budget. Greg reiterated Dr. Creighton's perspective on the Budget issue. It was mentioned that the proposed budget by the Governor wipes out all that has been gained in the last few years. It has been noted that the State Board has said nothing about the Budget either way. The Chancellor has done nothing. The System Presidents have taken a stand against this budget. AOF will be addressing the Board next Friday. We will be forceful. There is a rally on Tuesday, March 6, 2001 at 10:30 a.m. with buses and vans ready to roll at 4:00 a.m.. Faculty are encouraged to participate in any way. Remember, when contacting the Legislature, not to use University letterhead—letters do matter. If you have not joined AOF yet, new members are always welcome. All were reminded that we do have friends in Salem but they need to hear from us! Our silence is hurting us.

The Oregon Student Association is not happy with the proposed tuition increase. They were in agreement with the 2.2 increase.

5. Five-minute Access:

- a) Majors Fair: Sally Click thanked everyone for their participation in the Majors Fair. The Theatre department won the glass of kisses.
- b) IFC: Jeff Johnson gave an overview of the recent IFC meeting. IFC has some concerns about the proposed Budget. Lobbyist Dave Barrows of AAUP Chapters was emphatic that we double attendance/presence at the rally. At the next IFC meeting in April they will be actively lobbying local legislature.
- c) Crisis Fund: Sherri Edvalson thanked everyone for all their referrals of students for the fund. To date, \$20,000 has been awarded to 23 students. Funds were disbursed for a variety of reasons from payment of tuition to assisting a student attend a piano concert. The EOU Scholarship deadline is fast approaching. Applications are available in the Admissions Office. Also the David and Carolyn Gilbert scholarship applications are available for students in Admissions.
- d) Annual Food Drive – Mary Brock informed the Assembly of the Annual Food Drive to be held February 14-28. Pick up will be on March 1. Our motto for this year is 2 Tons and \$2,000. Mary mentioned that Carmen from Community Connection asked that everyone think about the rising energy costs when donating.
- e) Quinn Update – Peggy Anderson invited faculty and staff to join in the recognition of basketball students and their parents Saturday night in the Mountaineer Room and to cheer them on during the game. Friday night the men's cross country team tied for sixth in track and field. Women's softball tied for fifth in the nation. Peggy also thanked the faculty for their cooperation during the remodel of Quinn. Locker rooms will be next. Also, there will be new equipment in the weight room. It is anticipated that the new expansion will be open during dead week. Parking will still be a problem for a while.
- f) Dr. Shelton announced that Peggy Anderson will also be recognized on Saturday at half-time for Athletic Director of the year and being inducted to the NAIA Hall of Fame. Peggy deserves this for all her hard work. Please join us.

Meeting adjourned at 4:20 p.m. The next Campus Assembly is scheduled for March 6, 2001.
